# IM3

---

Code M163522

## PRODUCT DESCRIPTION

Sanitizing spray for surfaces and fabrics. Alcohol-based dry spray.

## APPLICATION FIELDS

Sanitizer, cleanser and degreaser. Useful for sanitizing different surfaces and materials: hard surfaces, printing and work tables, tools, packaging, fabrics, clothing, helmets, chairs, seats, car dashboards, glass, etc. IM3 removes bacteria that cause bad smell.

## APPLICATION

Shake before using.

Test on a small area of the surface to be treated to test if suitable.

Spray on the surface to be sanitized at a distance of about 30 cm and leave for a few seconds.

To remove dirt or grease, spray IM3 and wipe with a dry cloth.

## SPECIAL INSTRUCTIONS

- Shake before using.
- Do not spray on electrical and electronic devices.
- Test on a small area of the surface to be treated before applying the product.
- Test the resistance of decorated or printed parts on surfaces before applying.
- Ventilate the room before staying.
- Read carefully the warning before use.

## GENERAL FEATURES

- 70% of alcohol recipe
- Suitable for hard surfaces and fabrics
- Eliminates the microorganisms that cause bad smells
- Eco-Friendly: CFC free
- Dry spray, it doesn't stain

## IMPORTANT NOTE

The information given in this technical sheet is not intended to be exhaustive and any person, using the product for any purpose other than that specifically recommended in this sheet without first obtaining written confirmation from us to the suitability of the product for the intended purpose, does so at his own risk.

While we endeavour to ensure that all advice we give about the product is correct, we have no control over either the quality or condition of the substrate or the many factors affecting the use and application of the product.

Therefore, unless we specifically agree in writing to do so, we do not accept any liability whatsoever or howsoever arising for the performance of the product or for any loss or damage arising out of the use of the product.

The information contained in this sheet is liable to modification from time to time in the light of experience and our policy of continuous product development.
